

EMT Straps

EMT straps provide secure mounting of electrical metallic tubing to surfaces in a variety of configurations. Available in one-hole and two-hole designs for different installation needs.

Features & Benefits:

- Pre-galvanized steel
- Superior corrosion resistance
- Application: Mount EMT conduit to walls, ceilings, or other surfaces.
- Indoor use recommended
- UL Listed
- Meets or exceeds UL 2239; CSA 22.2 No18.4-15 (R2024) and ANSI/NFPA 70

One Hole EMT Strap

Part Number	Trade Size		Approx.Weight Per 100 Pieces	
	(in.)	(mm)	(lbs.)	(kg)
